Dear Parents,

As the term draws to a close, we would want you, as stakeholders in our system to reflect on our achievements so that we can together plan for a better tomorrow.

Please find below important dates, events and activities for the second term.

1. The year has been rewarding particularly that we were able to surmount all challenges that came our way. We were able to procure a new bus to aid in our bus shuttle. Due to the past and recent increases in fuel (petrol & diesel) and in order to provide better services, we are constrained to increase the bus shuttle fares from next term as follows:
Within Magodo ₦25,000.00 & outside Magodo ₦30,000.00 per term.
2. Junior School parents are expected to collect their children not doing bus shuttle, at the latest 02:30pm, failure of which attracts **₦200** daily charge for late pick-up.
3. **Year 11:** Please be informed that the 7-18 April 2008 shall be given to Industrial Work experience. This is a time when students are posted to relevant organizations for industrial training and familiarization with

their chosen careers.

We wish to enjoin parents to aid the school to find placements for their wards. Please contact the Guidance Counselor for more information: 08023233859.

4. We wish to express our gratitude to parents who showed interest in our Life Orientation programmes. Parents who are still favourably disposed to the programme should please contact 08032322859.
5. The school held a Christmas Programme on the 28 & 29 November 2007 and students performed a scintillating play. We wish to state that children always look up to their leaders for, that approval of whatever they do. As a parent, one way you can obtain this authority is by honouring invitations to watch your children's performances on stage. Please make it a point of duty to turn out for children's programmes.
6. **Year 9 & 12:** Due to the importance the school attaches to students external examinations, the Management has put in place extra classes for Year 9 & 12 students. The programme will commence on 19 January 2008. Please encourage your wards to attend. In the same view, the school would

appreciate it if all Year 9 & 12 students become boarders. This is to help the various academic programmes that have been put in place to get them prepared for their examinations.

7. **Parents Forum:** Please take note of the different Parents' Forum Meetings and attend as stipulated for the various schools.

- (a) **Junior School**
2.02.2008 · 10:00am
- (b) **Middle School**
9.02.2008 · 10:00am
- (c) **High School**
16.02.2008 · 10:00am

7. **Reports:** We have now decided to give reports to your wards to hand them over to you. Please endeavour to discuss the reports with your wards.

Sports Field: Please be informed that the construction of the sports field is now in progress and the first phase will be completed by March 2008.

The yuletide is here once again. As we embark on this break, we wish you a Merry Christmas and a Prosperous New year!
